

A Public Entity

INLAND EMPIRE HEALTH PLAN

To: IPAs and Participating P4P Practitioners
 From: IEHP - Provider Services
 Date: January 27, 2010
 Subject: Vaccine Reimbursement Rates for Non-VFC Members
HPV - Gardasil Vaccine for Males

IMPORTANT UPDATES!!!!

Effective February 1, 2010, the Vaccine Reimbursement Rates for IEHP Members not enrolled in the VFC program has been changed from Average Wholesale Price (AWP)-15% to **Wholesale Acquisition Cost (WAC) + 5%**. Reimbursement process includes:

- Complete a CMS 1500 with the appropriate CPT codes, quantity dispensed and billed amount.
- Submit the CMS 1500 claim form to: IEHP Claims Department
 P.O. Box 10129
 San Bernardino, CA 92423.
- An updated **Vaccine Reimbursement Schedule** is available online at www.iehp.org.

A new vaccine has been added to the list of payable immunization under the P4P Program.

Vaccine:	HPV– Gardasil for Males
PM160 Code:	76
Number in Series:	3
Admin Fee:	\$4.50
Age Range:	9 years thru 18 years, 11 months

The addition of Gardasil for male is effective for **dates of service starting February 1, 2010**. Gardasil for female vaccine has been added as of 10/01/09. Submit your PM160 online only at www.iehp.org. An updated **PM160 Reimbursable Immunization Codes Schedule** is available online for your convenience.
