INLAND EMPIRE HEALTH PLAN

To: IPA and Participating PCP Practitioners
From: IEHP – Provider Services
Date: August 13, 2008
Subject: DTaP Vaccine Administration

IMPORTANT REMINDER!!!!

The 2009 Healthcare Effectiveness Data and Information Set (HEDIS) has released the performance measure requirements when administering DTaP vaccine:

- \$ PCPs must now indicate if a “DTaP” shot was given. The DTaP and the administration date must be documented on the yellow card, Member’s medical record and/or when submitting your PM160s online.
- \$ For other forms that have pre-printed DTaP/DTP on it, be sure to encircle the DTaP shot and indicate the date it was given. See example below:

DTaP/DTP – August 13, 2008
