## Argus D.0 Testing and Certification – Important Reminder

**Starting 1/1/2012, any claims submitted under NCPDP 5.1 will be denied. All Pharmacy Providers must convert to D.0 before 1/1/2012. Please follow the instruction below if you are not ready to submit D.0 claims.**

D.0 Payer Sheets available now at [www.argushealth.com](http://www.argushealth.com). Login as usual, or if Login is needed please contact (888) 445-5334, or email [PharmacyPOSSupport@argushealth.com](mailto:PharmacyPOSSupport@argushealth.com)

**NOTE: Production D.0 claim submission requires both pharmacy certification and Argus customer approval prior to D.0 implementation.**

Posting of D.0 payer sheets does not indicate acceptance of D.0 production claim submission. Please contact Argus for a list of approved D.0 BIN/PCN list at (888) 445-5334, or email [PharmacyPOSSupport@argushealth.com](mailto:PharmacyPOSSupport@argushealth.com).

This is a **Reminder** to pharmacies, software vendors, and switch companies that Argus is actively scheduling the D.0 testing and certification process. In order to submit production D.0 claim transactions, entities must first complete the Argus certification process and receive a unique Software Vendor/Certification ID. The certification process has been designed to minimize impact to pharmacies and provide easy access to Argus resources to answer questions and provide assistance throughout testing and certification.

Entities that have not scheduled D.0 certification with Argus are encouraged to **contact Argus within the next 30 days** to begin this process. If your software vendor is coordinating D.0 testing on behalf of your pharmacy, please provide the name and contact information for your software vendor and Argus will work with the vendor directly.

To initiate this process, Argus requests that each pharmacy trading partner/entity contact Argus to schedule a testing timeframe and request a certification packet. Pharmacies may contact Argus utilizing either of the methods below:

- Toll-Free Number: (888) 445-5334
- Monday through Friday, 8:00 a.m. – 4:00 p.m. CST
- Email: [PharmacyPOSSupport@argushealth.com](mailto:PharmacyPOSSupport@argushealth.com)

Entities that have already scheduled and completed D.0 certification may disregard this information and we thank you for your cooperation and support.
