Healthy Kids Program Benefit Manual (HKP)**

This Benefit Manual is offered as a guideline to determine benefit eligibility and is not intended to be construed as or to serve as a standard of medical care, or as a contractual agreement for payment. Standards of medical care are determined on the basis of all facts and circumstances for each individual case.

Benefit Manual Information

With a few exceptions, benefits for the Healthy Kids Program mirror Healthy Families benefits as defined in California Code of Regulations, Title 10, Chapter 5.8.

The subheadings “Examples of Covered Benefits” and “Examples of Non-Covered Benefits” are meant to give specific examples but are not intended to be an all-inclusive list of examples, unless specified in the text of the benefit.

If a benefit question is not addressed in the Benefit Manual, please contact IEHP at (909) 890-2000 for further information.
