Mediation Reconciliation Post Discharge (MRP)

Dear IEHP Provider,

We are reaching out to you to inform you of our Medication Reconciliation Post Discharge (MRP) services at Inland Empire Health Plan (IEHP). MRP has been shown to be most effective within 72 hours of the Member's hospital discharge.

What do we ask from you and your team?

- Please respond in a timely manner when you receive the fax request for the Member's most current medication list.

What will you and your team receive from IEHP?

- MRP Form that will have the Member's active and termed medications and recommendations from the Clinical Pharmacists.

We look forward to working with you and your team to improve our members care. If you have any questions, please feel free to reach out to IEHP's Provider Relations Team at: 866-223-4347 between 8:00-5:00 pm Monday through Friday.

Thank you for your attention to this matter

Sincerely,

IEHP Pharmaceutical Services

10801 Sixth Street, Suite 120, Rancho Cucamonga, CA 91730
