## Notice of Termination of Hepatitis Center of Excellence Program

EFFECTIVE JANUARY 1, 2021

Dear IEHP Provider,

In preparation for the DHCS Medi-Cal RX Transition, IEHP will be terminating the Center of Excellence (COE) Program for Hepatitis B and C. As of **January 1, 2021**, IEHP Medi-Cal Members with a diagnosis of Hepatitis B or C will be able to seek treatment from Providers in the Network who are trained in Hepatitis B or C Management. Opening the Network will provide better access to care for our members.

While we are opening up the provider network for Hepatitis B and C patients, we will only allow SS&C Network Specialty Pharmacies to fill Hepatitis B and C medications. Please see the following pages after this cover letter to find which SS&C Network Specialty Pharmacy may fill these medications.

Providers will be able to submit prior authorization requests for medication directly to IEHP Pharmaceutical services. Members currently undergoing treatment do not need to change their provider or pharmacy and may continue their care with their current Provider.

Please contact us with any questions or concerns at (909) 890-2067.

Sincerely,  
IEHP Pharmaceutical Services
