Inland Empire Health Plan (IEHP) would like to share important billing guidance relating to the Medicare P4P IEHP Direct Program.

**To receive full benefits of the P4P incentive payments, you must bill the P4P service’s applicable code with the exact amount of the P4P incentive that you expect to receive.** Failure to follow this billing guidance will result in your office not receiving full P4P incentive payments.

Listed below are the services that are part of the Medicare P4P IEHP Direct Program and the incentive amount that must be included on the claim to receive the full financial incentive.

**Payment Per P4P Service**

P4P Service	Financial Incentive
1. Blood Pressure Control	\$ 50
2. Colorectal Cancer Screening	\$ 50
3. Flu Vaccine	\$ 25
4. HbA1c Control	\$ 50
5. Post Discharge Follow-Up	\$ 50

In addition to the above billing guidance, please review and leverage the Medicare P4P IEHP Direct Program Guide to maximize your efforts in these incentive services.
