Inland Empire Health Plan (IEHP) is pleased to announce the release of the **2022 Provider Quality Resource Guide**. The guide serves providers and their teams as a single source of appropriate information and resources for quality improvement in the measures included.

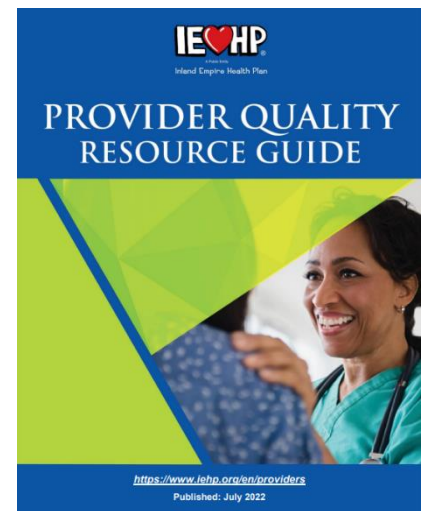

The measures included in the guide cover four domains: **Chronic Disease, Early Childhood, Prenatal/Postpartum Care and Behavioral Health.**

Designed for easy reference, the guide includes:

- **Measure descriptions**
- **Medical record documentation requirements**
- **Tips for measure improvement**
- **IEHP resources for providers and members**

The measures included are integral to the following key quality programs:

- **Managed Care Accountability Set (MCAS)**
- **Global Quality Pay for Performance (GQ P4P)**
- **Quality Withhold**

**An electronic version of the guide is available now in the “Providers” section of IEHP’s website:**

[www.iehp.org](https://www.iehp.org) > Providers > P4P – Proposition 56 – GEMT > Global Quality P4P Program > 2022 Provider Quality Resource Guide (PDF).

**Thank you** for utilizing the 2022 Provider Quality Resource Guide to maximize your efforts in this program year. IEHP values your dedication to providing optimal care for IEHP members and our communities.
