Inland Empire Health Plan (IEHP) would like to notify you that the COVID-19 Roster is available again in the Provider portal. The following updates/changes are effective immediately.

- The roster identifies assigned PCP Members who have tested positive for COVID-19 within the last **90 days**. The prior roster included Members who had a diagnosis of COVID-19 but didn't have a positive lab confirmation, leading to erroneous positive reports.
- Positive confirmation is based on **Lab Results**.
