## REMINDER

As part of the ongoing efforts to provide financial relief to healthcare Providers impacted by COVID-19, Inland Empire Health Plan (IEHP) would like to remind all Providers that the **New Phase 3 Provider Relief Funding (PRF) application deadline is November 6, 2020**.

On October 1<sup>st</sup>, the Health and Human Services (HHS), through the Health Resources and Services Administration (HRSA), announced it will provide \$20 billion in new Phase 3 Provider Relief Fund (PRF). This funding will be available for Providers who have already received payments due to COVID-19 related hardships, previously ineligible Providers, and an expanded group of Behavioral Health Providers.

### **Eligible Provider Qualifications:**

HHS is making a large number of providers eligible for Phase 3 General Distribution funding, including:

- Providers who previously received, rejected or accepted a General Distribution Provider Relief Fund payment. Providers that have already received payments of approximately 2% of annual revenue from patient care may submit more information to become eligible for an additional payment.
- Behavioral Health Providers, including those that previously received funding and new Providers.
- Healthcare Providers that began practicing January 1, 2020 through March 31, 2020. This includes Medicare, Medicaid, CHIP, Dentists, Assisted Living Facilities and Behavioral Health Providers.
