Subject: **FREE Contactless COVID-19 Testing in Riverside**

Inland Empire Health Plan (IEHP) would like to share that the City of Riverside, in partnership with Curative Inc., is bringing free contactless COVID-19 testing to your neighborhood.

Whether or not you are experiencing COVID-19 symptoms, testing is necessary to move us out of the widespread (purple) category and informs infected individuals, even those who are not showing symptoms, that they need to isolate and avoid spreading the virus to others.

Increased testing is key to rebuilding our communities and economy. The test is a simple-to-use, 100% contactless, oral fluid COVID-19 test that can be rapidly scaled to enable widespread access to testing to keep our communities safe.

Help stop the spread and visit [Curative website](#) or www.RiversideCA.gov/testing for live updates on when the mobile van will be in your neighborhood.

Following dates and locations throughout the city are below, in 10-day increments.
