CAP Completion and Submission Requirements**Disclosure and Release**

I have received and reviewed copies of the above listed site's evaluations and CAPs for the BH Hospital Survey. I agree to correct each identified deficiency by implementing any corrective action that may be required. **I understand that failure to correct any of the noted Critical Element deficiencies within the required 10 calendar days and any other noted deficiencies within the 30-day time period from the review date**, may result in the exclusion of this facility and the associated provider(s) from IEHP's network. **The completed CAP must include evidence of correction** {e.g. education sign sheets, forms used} **and dates completed**.

For assistance in completing the CAP, please call _____, RN, CSR at 909- _____.

I hereby authorize the above-mentioned health plan and any government agencies that have authority over the health plans, and authorized county entities in the State of California, to furnish to each other these reviews and CAPs of this facility.

INSTRUCTIONS FOR USE

- 1st Column: (Health Plan Use Only)** Health Plan verification and date – The Health Plans Certified Site Reviewer (CSR) will initial and date the deficiency that the site has addressed/corrected. The Facility’s Corrective Action Plan will be verified by the CSR through a desk review by the Health Plan and/or a follow-up on site visit.
 - 2nd Column: (Health Plan Use Only)** Criteria – The Health Plan’s CSR will check the criteria(s) that were found deficient during the site review and/or medical record review processes. The criteria(s) checked should be addressed/corrected by the hospital. A CAP for all critical element deficiencies, which are **bolded and underlined**, should be submitted to the Health Plan within 10 calendar days. A CAP for other criteria found deficient is due to the Health Plan within 30 days from the date of survey.
 - 3rd Column: (Health Plan Use Only)** Deficiency Cited/Reviewer Comments – This column is for the purpose of notifying the Facility and/or designated staff of the deficiency found and/or the CSR findings/comments.
 - 4th Column: (Health Plan and Facility/Hospital Use)** Recommended Corrective Action – The Health Plan’s CSR will check and/or write comments for the facility/hospital in order to notify the facility and/or designated staff the documents and/or evidence needed in order to fulfill a deficiency.
 - 5th Column: (Facility/Hospital Use Only)** Correction Date – The facility/hospital will document the date that a deficiency has been addressed and/or corrected.
 - 6th Column: (Facility/Hospital Use Only)** Facility’s Comments – The facility/hospital will document corrective actions taken to address/correct a deficiency, as well as provide appropriate documents to support corrective actions taken. If facility/hospital agrees with items checked in the 4th Column (Recommended Corrective Action) then the facility/hospital would write “agree with recommended corrective action,” as well as submit supporting documents.
 - 7th Column: (Facility/Hospital Use Only)** Signature and Title of Facility Administrator or Designee – The facility/hospital staff who is responsible for maintaining compliance with a deficiency found during a site audit would put their name, title, and initial in this column.
- NOTE:** The Health Plan’s Certified Site Reviewer (CSR) may conduct a follow-up on site review to verify corrective action within 30 days from the date of audit and/or request the CAP to be submitted to the Health Plan via mail and/or fax.
