Subject: Global Quality P4P IPA – 2023 Program Guide Update

We have updated and provided clarifying language to the **2023 Global Quality P4P (GQ P4P) IPA Program Guide**.

Asthma Medication Ratio (AMR) – Eligibility Clarification

- Continuous enrollment with IEHP during the measurement year (2023) and the year prior to the measurement year (2022) with no more than one month gap in continuous enrollment with IEHP during both measurement years.

Initial Health Appointment (IHA) – Measure Name Change

- “Initial Health Assessment” has been changed to “Initial Health Appointment.”

Thank you for your continued partnership in providing quality healthcare to IEHP’s Members.
