Dear IEHP Pharmacy Provider,

Amidst the weather affecting IEHP service areas, we wanted to remind our pharmacy network that IEHP Members have access to emergency overrides in the event of lost, stolen, or damaged medications. This includes the case where Member cannot go back to their residence due to the weather. IEHP continues to expect pharmacists to practice in accordance with the California Pharmacy Law when it comes to emergency situations.

The following is the contact information that pharmacies should utilize to obtain emergency overrides for Members who do not have their medication due to this emergent situation.
