Subject: **Community Health Worker (CHW) Provider Incentive Webinar - September 12, 2023**

We are hosting a virtual **Community Health Worker (CHW) Provider Webinar** for PCPs on **Wednesday, September 13, 2023, from 12-1pm.**

Effective July 1, 2022, Community Health Worker (CHW) services became a Medi-Cal benefit. These are preventive health services delivered by a CHW for prevention and education about disease, disability, and other health conditions and their progression. Providers can hire a CHW to assist with Member outreach and then bill IEHP for services rendered.

For a limited time, IEHP is offering a \$20,000 incentive to PCPs who participate the CHW Provider Incentive Program Model 1, about which details will be shared in the meeting.

The webinar will provide information on the following:

- CHW Benefit
- CHW Provider Models
- CHW Incentive Program
- Return on Investment
- Opportunity for Q&A

We hope you will attend and learn how CHW services may benefit your practice and patients!
