From: IEHP
Date: November 30, 2023
Subject: **Equity and Practice Transformation (EPT) Program Update**

Thank you for applying to the **Equity and Practice Transformation (EPT) Program**, a one-time \$700 million California Department of Health Care Services (DHCS) program aimed at promoting health equity and reducing disparities in primary care practices. IEHP received 111 applications for funding, totaling to more than \$173 million.

Please be advised that DHCS will be evaluating each application based on their designated criteria, with a focus on those that prioritize optional categories and are located in lower HPI quartiles. Some applications will not be selected for funding.

Final decisions will be made and announced by DHCS by the end of December 2023. IEHP will reach out to successful applicants to schedule an initial planning meeting shortly thereafter.

Thank you again for your interest in the EPT Program and for your continued partnership with IEHP.

For any questions or concerns about the program, please email EPTProgram@iehp.org
